

Parking Lot Procedure

In order to keep the parking lot safe for our youth, and for the mental, emotional, and spiritual well-being of all of you, please follow these procedures to help pick-up go more smoothly.

1. First, we are going for a **west to east flow of traffic** through the Life Center parking lot.
2. Enter the Life Center Parking Lot via the southwest entrance (nearest the Church). **Do not enter the parking lot from the east (school/spiritual center) entrance.** If you are coming from Auburn, take the drive around to the southwest entrance of the parking lot. The goal is to get a one direction traffic flow.
3. Please **park** while waiting for your child. Park so that your car is facing the Life Center- pull through from the second aisle. **Do not wait in the aisle for your child to exit the Life Center.** This causes traffic back-ups and also jeopardizes the safety of both our youth, as well as parents who choose to go inside, as it is difficult to see around cars that are waiting in the aisle and whether youth or adults are walking around the car that is waiting. Also, please do not park in the row closest to the Life Center (along the side walk). The less backing up cars have to do, the better. Once your child is in your car, you may leave. Please beware of any youth or adults still exiting the building.
4. When **exiting**, please exit towards the east (school/spiritual center/parking lot side). **Do not exit through the west exit of the Life Center parking lot.** Again, we are aiming for a one way flow of traffic (west to east). If you need to head west on Wallen, exit the Life Center parking lot to the drive that is by the playground and turn left there to get to the Wallen exit.

Thank you for your help in order to ensure that Edge is a safe and fun place for your child from drop-off to pick-up! May Christ bless you all!!!
